DOGS.

Section 10. The inhabitants of any town may make such by-laws concerning the licensing, regulating and restraining of dogs going at large as they shall deem expedient, and may affix

Section 14. Any person may kill any dog that shall suddenly assault him while he is peaceably walking or riding any where out of the enclosure of the owner or keeper of such dog; and any person may kill any dog, that shall be found out of the enclosure or immediate call of its owner or keeper, worrying wounding or killing any neat cattle, sheep or lambs.

Section 15. If any person shall be assaulted by any dog in manner as aforesaid, or if any dog shall hereafter be found strolling out of the enclosure or immediate call of its owner or keeper, and if such person shall, at any time within forty-eight hours after such an assault, or the finding of such dog strolling as aforesaid, make oath thereof, before any Justice of the Peace for the County, or before the Clerk of the town where the owner of such dog shall dwell, and shall further swear that he suspects such dog to be a dangerous or mischievous dog, and shall give notice thereof to such owner or keeper, by delivering him a certificate of such oath signed by such Justice or Clerk, the owner or keeper of such dog shall forthwith kill or confine the same; and if he shall neglect so to do, for the space of twenty-four hours, after notice is given as aforesaid, he shall forfeit the sum of ten dollars, to be recovered to the use of the town, on complaint before any Justice of the Peace.

Section 16. If after such notice such dog shall not be killed or confined, but shall again be found strolling out of the enclosure or immediate call of its owner or keeper, any person may kill such dog ; and in any suit brought therefor, the defendant may plead the general issue and give the special matter in evidence.

Section 17. If any dog after notice given to the owner or keeper, as before provided, shall by any sudden assault, in manner as aforesaid, wound, or cause to be wounded, any person, or shall worry, wound or kill any neat cattle, sheep or lambs, or do any other mischief, the owner or keeper shall be liable to pay to the person injured thereby treble damage, to be recovered with costs, by action of debt.

Parents shall give notice to the clerk of the town of all the births and deaths of their children ; and every householder shall give the like notice of every birth and death happening in his house ; and the eldest person next of kin shall give notice of the death of his kindred ; and the keeper of any alms-house, work-house, house of correction, prison or hospital, and the master or commanding officer of any ship, shall give the like notice of every birth and death, happening among the persons under his charge ; *and every person neglecting to give such notice, for the space of six months, after the birth or death shall have happened, shall forfeit to the use of the town a sum not exceeding five dollars.*

FOREIGN PASSENGERS WHO MAY BECOME CHARGEABLE AS FAUPERS.

Revised Statutes—Chap. 46.

When any vessel shall arrive at any port or harbor within this State, from any port or place without the same, with alien passengers on board, who may become chargeable as paupers, the master or commanding officer of such vessel shall, before the said passengers or any of them leave such ship or vessel, deposite with the mayor and aldermen of the city, or with the selectmen of the town, where such alien passengers are to be landed, a

complete list of their names, and shall add thereto the name of the port or place, at which such alien passengers were taken on board; and the said master or commanding officer of such vessel shall, forthwith, together with one or more of the owners of such vessel, if any owner be resident in such city or town, enter into a bond, with sufficient sureties, to the city or to the inhabitants of said town, (as the case may be) in a penal sum not exceeding two hundred dollars, for any alien passenger; with condition to indemnify and save harmless the said city, or town (as the case may be) and also the Commonwealth, from all expense, which may arise in maintaining, supporting or otherwise providing for such alien passengers, during the full term of three years then next to come; provided always, that such mayor and aldermen, or selectmen, may dispense with the giving of such bond, in all cases in which it shall appear to them, that no charge or payment or liability as aforesaid is to be apprehended, on account of such alien passenger or passengers, within the said term of three years; and provided also, that such bond may, at the election of such mayor and aldermen or selectmen, be dispensed with in every case, in relation to any alien passenger, if the said master, commanding officer, or owner of such vessel, shall, before landing of such passenger, pay into the city or town treasury (as the case may be) the sum of five dollars for every alien passenger, whom he may intend to land.

If any master or commanding officer of any vessel shall land or permit to be landed any alien passenger, contrary to the provisions of the preceding section, the master or commanding officer of such vessel, and the owner or consignee thereof, shall forfeit the sum of *two hundred dollars*, for every alien passenger so landed; provided always, that the provisions aforesaid shall not be construed to extend to seamen, sent from foreign places by consuls or vice-consuls of the United States.

If any master or commanding officer of any vessel shall land any alien passenger, at any place within this State, other than that to which such vessel shall be destined, with intent to avoid the requirements aforesaid, such master or commanding officer shall forfeit the sum of one hundred dollars for every alien passenger so landed.
